### Senior Project Manager OWCareers

Aug 2021 - To Date

Started in 2021, serving Middle East, Europe and Americas, it is one of the most advanced job portals that offers assistance to job seekers through state-of-the-art virtual assistance for job search, specifically designed services for senior professionals. Here, I work as Finance Manager responsible of a number of achievements including:

- Spearheaded the execution of a \$X offshore drilling project, achieving first oil production ahead of schedule and under budget.
- Implemented a robust risk management strategy, reducing project-related incidents by X% and ensuring compliance with industry regulations.
- Facilitated seamless communication among stakeholders, resulting in improved project coordination and faster decision-making processes.
- Developed and implemented a comprehensive HSE program, leading to a X% reduction in recordable incidents and ensuring a safe working environment for all personnel.
- Negotiated favorable contract terms with suppliers, resulting in cost savings of \$X million annually without compromising project quality.

### Project Manager OWCareers

Apr 2017 – Aug 2021

Its mission is to facilitate job seekers in overseas employment and provides visa, ticketing and job search assistance services to professionals of Pakistan. Here, my key achievements include:

- Assisted in the successful execution of multiple drilling projects, ensuring adherence to project schedules and budget constraints.
- Coordinated logistics and procurement activities, optimizing resource allocation and minimizing project downtime.
- Supported HSE initiatives, conducting regular inspections and audits to ensure compliance with safety standards and regulations.
- Collaborated with cross-functional teams to identify and address project risks, mitigating potential disruptions and delays.
