The detail of my professional experience is as follows:

#### Finance Project Manager OWCareers

Sep 2016 - Present

Started in 2014, serving Middle East, Europe and Americas, it is one of the most advanced job portals that offers assistance to job seekers through state-of-the-art virtual assistance for job search, specifically designed services for senior professionals. Here, I work as Finance Manager responsible of a number of achievements including:

- Led a team of X finance professionals in executing multimillion-dollar projects, ensuring adherence to budget and timelines.
- Implemented robust financial controls, reducing instances of fraud and error by X%.
- Developed and implemented project management tools, improving project tracking and reporting accuracy by X%.
- Negotiated contracts with vendors, resulting in cost savings of \$X annually.
- Mentored and coached junior team members, leading to improved performance and career advancement opportunities.

#### Finance Manager Jobs Overseas (Private) Limited

Jan 2014 - Aug 2016

Its mission is to facilitate job seekers in overseas employment and provides visa, ticketing and job search assistance services to professionals of Pakistan. Here, my key achievements include:

- Assisted in managing project budgets totaling \$X, ensuring efficient resource allocation and cost control.
- Prepared detailed financial forecasts and variance analysis reports, enabling informed decision-making by senior management.
- Collaborated with cross-functional teams to develop and implement process improvements, resulting in X% efficiency gains.
- Played a key role in conducting financial due diligence for potential acquisitions, contributing to successful deal closures.
