Project Management | Agile Methodologies | Stakeholder Management | Risk Management | Team Leadership | Budget Management | Vendor Management | Communication | Problem Solving | Strategic Planning | Change Management | Quality Assurance | Resource Allocation | Negotiation | SDLC | ITIL | Scrum | Microsoft Project

Experience

Information Technology Project Manager — Oct 2020 - Present OWCareers – Abu Dhabi, UAE

Started in 2014, serving Middle East, Europe and Americas, it is one of the most advanced job portals that offers assistance to job seekers through state-of-the-art virtual assistance for job search, specifically designed services for senior professionals. Here, I work as Finance Manager responsible of a number of achievements including:

- Successfully managed and delivered multiple IT projects, exceeding client expectations and achieving high satisfaction ratings.
- Implemented project management best practices, resulting in a 25% reduction in project timelines.
- Spearheaded the adoption of DevOps practices, leading to a 40% increase in deployment frequency.
- Developed and executed comprehensive project plans, ensuring alignment with organizational objectives and milestones.
- Collaborated with cross-functional teams to identify and mitigate project risks, ensuring smooth project execution and delivery.

Information Technology Project Manager — Feb 2010 - Sep 2020 OWCareers Private (Ltd) — Abu Dhabi, UAE

Its mission is to facilitate job seekers in overseas employment and provides visa, ticketing and job search assistance services to professionals of Pakistan. Here, my key achievements include:

- Assisted in managing IT projects from initiation to closure, ensuring adherence to project timelines and deliverables.
- Facilitated effective communication between project stakeholders, resulting in improved project alignment and clarity.
- Conducted thorough project analysis and risk assessments, implementing mitigation strategies to minimize project disruptions.
- Supported the implementation of Agile methodologies, fostering a culture of continuous improvement and adaptability.
- Contributed to the development of project documentation and reports, maintaining accurate records of project progress and milestones.
