## SUMMARY

Mark Zuckerberg is co-founder and CEO of the social-networking website Facebook, as well as one of the world's youngest billionaires. Zuckerberg made two major life changes in May 2012. Facebook had its initial public offering, which raised \$16 billion, making it the biggest internet IPO in history. How Zuckerberg's company will handle this influx of cash remains to be seen. But Zuckerberg may be looking at more acquisitions. He personally negotiated the company deal to buy Instagram the previous month.
